MEMORANDUM FOR THE DIRECTOR, NATIONAL RECONNAISSANCE OFFICE

SUBJECT: USIB Guidance for the NRO Budget

1. In accordance with the new USIB procedures for providing guidance for the NRO budget, the attached statement of guidance with respect to certain SIGINT requirements as approved by the United States Intelligence Board is transmitted herewith for use by the National Reconnaissance Office. This statement contains guidance for NRP reconnaissance in connection with the next NRP budget and in the five-year plan.

2. Comments on requirements for the collection of reconnaissance imagery prepared by COMIREX and noted by the USIB have previously been referred to NRO for information and guidance on 11 June 1968 in accordance with the new procedures.
